LETTER FROM THE RABBI

Dear friend,

We are excited to be preparing our 11th annual Elwood Shule Community Calendar & Program Guide and we need your support!

The professionally designed 12 month calendar is an attractive and full colour publication, and will be distributed to hundreds of local homes and businesses, free of charge, in time for the High Holydays.

The calendar includes information about Jewish Holidays, Shabbat candle lighting times and some of our much anticipated events and programs. The date boxes include both Hebrew and civil dates.

I kindly ask you to consider supporting our calendar campaign by placing an advertisement promoting your business or by putting in a

Shanah Tova greeting from you family or business - see the various opportunities below.

An advantage of displaying your ad in our calendar, is the sustained lifespan of advertisements, as compared to other forms of communication with the public. Our members as well as the wider Jewish community, continuously refer to our informative Community Calendar throughout the year.

Your support is vital to our growth and will assist us in furthering our efforts in serving our congregation and community at large.

If you have any questions, please call **9531 1547** or email calendar@elwoodshule.org

Sincerely,
Rabbi Shmuel Karnowsky
Rabbi, Elwood Shule

ROSH HASHANA

Rosh Hashana marks the Jewish New Year, taking place the first and second days of Tishrei, the first month of each year. Literally translated as the head of the year, it commemorates the creation of the first man and woman, Adam and Eve.

The crucial message of Rosh Hashana is about humanity and corporeal accomplishment, which represent G-d's purpose of creation.

However, despite the power of man in a physical world, we must be cognisant of our reliance upon G-d, the source of our existence.

The main Mitzvah, to be observed on Rosh Hashana is to hear a sounding of the Shofar, a ram's horn. This tradition symbolises awakening, the return of the Jewish Nation to G-d in the days before Mashiah, who will be signalled by the Great Shofar. It also manifests the coronation of G-d as King of the Universe. It is vital to the day, and as such, one who does not hear the Shofar in

synagogue should hear 30 sounds of the Shofar before nightfall.

YOM KIPPUR

Yom Kippur is a solemn day in the Jewish calendar, for it is the holiest day in the year, a Day of Atonement. The day presents an opportunity to turn inwards and search one's thoughts, speech, and behaviour over the past year, regret misdeeds, and accept positive resolutions for the year to come.

The power of introspection on this day is immense, because we reach an extraordinary level of connection to G-d and to our souls, through the capacity of the day itself.

For this reason, we fast, do not bathe or anoint ourselves, do not wear leather shoes and abstain from marital relations. We pray that the Almighty grants us forgiveness and 'seals' us for a year ahead filled with goodness and blessing.
